Verse 1

C
This world with all its beauty
Am
This world with all its shame
F
Will some day cease its turning
C G
And all will pass away.
C
But as our days continue
Am
Until this life is through
F
We pray, our hearts, not fainting
C G
Will still delight in You

Chorus

C Am
All of our days, with every breath
F C G
Each moment lived to give You praise
C Am
With all our heart, and mind and strength
F C G
To worship You, all of our days

Verse 2

C
Sometimes the road is weary
Am
The journey becomes hard
F
Life leaves us weak and wounded
C G
From battles, worn and scarred
C
So, when our strength is failing
Am
And if our hearts grow cold
F
O God, of grace and mercy
C G
Restore and make us whole

Chorus

C Am
All of our days, with every breath
F C G
Each moment lived to give You praise
C Am
With all our heart, and mind and strength
F C G
To worship You, all of our days

Verse 3 (key change)
